LIVE THE ADVENTURE!

Learn the Art and Science of Swordplay & Modern Olympic Sports of Fencing

Our start-up CLASSES and CAMPS will introduce you to this awesome sport in either a three or six week class, or in a day camp. This Olympic sport develops both physical and mental fitness, teach self-discipline, build character, and instill sportsmanship skills. Our sports (fencing, archery, horsemanship) are for all ages of girls and boys. All the equipment is supplied. You learn about safety of course, and the rules of the sport, some history, the basic language, footwork, offense, and defense actions and counteractions, as well as sparring each day of the class. Afterwards you receive a certificate of completion and are ready to join our beginning-novice program with classes most days of the week, we also offer a local team level, and we are one of the top national level clubs in the country. We offer private lessons, and open fencing times as well. You can see we offer all the age group introductory classes at the same time so it is easy for the whole family to give it a try!

CFA Recreational & Team Level System:

Each level is worked through with clear tasks. We have certified coaches that cater to those who are fencing for fun, up to level 7. We also have coaches and fencing masters in each discipline whose primary goal is to produce champions both inside and out, of the highest international caliber. Our coaches have produced National Champion fencers, Junior Olympic Champions, US World Team Members, World Championship finalists and Olympic Medalists, and scholarships to top Universities.

Level 1: Introductory (1st month) Level 2: Beginner (2nd month) Level 3: Novice (3rd - 4th month) Level 4-5: Intermediate/Local Team
Level 6-8: Advanced/Pre-National/National Level 9-10 International Pre-Elite & Elite US World & Olympic Team Levels

What Happens After the Introductory Class:

After the intro class or private lesson you receive a diploma of accomplishment, and are now ready to join the beginner program. You then become a member of our prestigious Club and School known as the Cal Sports Club Inc/California Fencing Academy. You become a member with an easy no obligation month to month agreement. No contract, no hidden fees, easy billing, and only a 15 day notice cancellation policy, plus ALL equipment can be supplied if needed through level: 3! At the time of becoming a member you pay your first months dues with a low 1 day per week rate, or an open membership for classes and open fencing 2-6 days weekly including use of both locations. This also includes family discounts on other activities such as archery and horseback riding instruction. As a gift we will give you an intro class coupon for 50% off on another CSC sport for your family. You will also receive your club patch and other materials as you progress. See you in class!
